# INTERNATIONAL CONFERENCE ON

## EMERGING TRENDS IN BIOMEDICAL ENGINEERING, SCIENCE AND TECHNOLOGY (ICETBEST) 2024

**FEBRUARY 28 - 29, 2024**

Organized by

**DEPARTMENT OF BIOMEDICAL ENGINEERING  
FACULTY OF ENGINEERING  
SALIM HABIB UNIVERSITY**

### About the Conference

ICETBEST 2024 aims to facilitate knowledge exchange, promote research collaborations, showcase advancements, provide networking opportunities and hold informative technical sessions related to the field of Biomedical Engineering, Science and Technology. The objective of the conference is to bring people from academia and the business world closer in order to share the latest developments in the relevant fields. ICETBEST 2024 will be a conference that will be the first of its kind in the field of Biomedical Engineering to be held in Karachi, with **oral presentations, poster competitions, project competitions, technical sessions**, and the opportunity for selected studies from the conference proceedings to be published.

### Call for Papers

Authors are requested to submit their abstracts and register for the conference before December 14, 2023. In case of full-length article submission, authors must follow the IEEE template for conferences.

For further details, visit the conference website <https://www.shu.edu.pk/icetbest>, email us at [icetbest@shu.edu.pk](mailto:icetbest@shu.edu.pk), or contact Engr. Muhammad Shaheer Mirza, Conference Secretary, at (+92 21) 111-248-338, Ext. 275.

### Thematic Areas

ICETBEST 2024 will cover all areas related to Biomedical Engineering that include, but are not limited to, the following:

- Applied Mathematics
- Artificial Intelligence
- Biological Sciences
- Wearable Technology
- Bioinformatics
- Biobiosignal Processing
- Biomedical Electronics
- Biomechanics
- Biostatistics
- Biomaterials
- Biosignal Processing
- Drug Delivery Design
- Genetic Engineering
- Internet of Things
- Biotechnology
- Computational Mechanics
- Modeling & Simulation
- Neural Engineering
- Neuroscience
- Medical Image Processing
- Medical Robotics
- Telemedicine
- Tissue Engineering
- Regenerative Technology
- Rehabilitation Engineering

### Important Dates

Event	Date
Call for Submission	Nov 30, 2023
Abstract Submission Deadline	Dec 28, 2023
Notification of Abstract Acceptance	Jan 05, 2024
Participation Registration Deadline (Only for posters and projects)	Jan 08, 2024
Full Length Article Submission Deadline (Only for oral presentation)	Jan 18, 2024
Notification of Paper Acceptance	Jan 25, 2024
Camera-Ready Article Submission	Feb 01, 2024
Participation Registration Deadline (Only for oral presentation)	Feb 08, 2024
Conference Dates	Feb 28-29, 2024
