Who are we?

Salim Habib University (SHU) is an institution of higher learning committed to providing quality university education to the Pakistani youth, no matter what their financial constraints.

The University is owned, managed, and administered by The Salim Habib Education Foundation (TSHEF). The Salim Habib Education Foundation (TSHEF) was established by its Founders, namely Dr. Muhammad Salim Habib, Dr. Iram Afaq, and Mr. Tariq M. Amin in 2007 under Section 42 of the Companies Ordinance and is having a status of Non-Profit Organization (NPO). At present, TSHEF's three large-scale projects in Pakistan include the Salim Habib Education Complex, Toba Tek Singh, Salim Habib University, Karachi, and Fatima Business School, Salim Habib University, Karachi.

The Salim Habib University is located at Korangi Creek, Karachi, and spans over ten acres of lush landscaping. It boasts

ultra-modern infrastructure featuring a five-story academic block with forty state-of-the-art labs, a uniquely-built four-floor library, and world-class sports facilities.

The Salim Habib University offers programs in the disciplines of Biomedical Engineering, Biosciences, Pharmaceutical Sciences, Information Technology, Management Sciences, Social Sciences & Humanities. The University is recognized by HEC and Sindh HEC/CIEC. Its programs are accredited by major accreditation bodies in the country, such as the Pakistan Engineering Council (PEC), the National Computing Education Accreditation Council (NCEAC), and the Pharmacy Council of Pakistan (PCP).

The University focuses on ensuring that its graduates emerge as well-rounded, competent individuals who harbor the passion to engage in continual learning and have the ability to lead future generations to prosperity.

Fatima Business School

Our Fatima Business School (FBS), located within Salim Habib University, is an iconic project of The Salim Habib Education Foundation (TSHEF), which is built around entrepreneurial innovation emerging from the convergence of Artificial Intelligence, quantum computing, neuroscience, genetics, nanotechnology, and other transformative technologies.

These advancements have no traditional boundaries between business, technology, engineering, psychology, health, medicine, social sciences, and more, and are reshaping the landscape of industry leadership and the future of education.

Fatima Business School is committed to addressing multidisciplinary, real-world challenges faced by both industry and society. The School offers state-of-the-art and digitally equipped facilities and international standard programs in Information Technology, Computer Science, Management Sciences, and Social Sciences & Humanities international Social Sciences & Humanities.

“
Our children are becoming
leaders in business and
industry. They are serving
our nation with optimism
and pride. They will make
their mark on this world
and we will always be
there to support, sustain,
and encourage those who
are determined to learn.”

Dr Iram Afaq

Founder & Chancellor | Salim Habib University.

Cultivating Human Capital

In recent months, our Center for Learning and Teaching (CLT) has conducted various training and development workshops and sessions to strengthen the skills and expand the knowledge of our faculty, staff, and students, ensuring they are equipped to meet the evolving demands of the professional world.

These sessions included:

- *From Vision to Reality: A Practical Guide to Launching Your Own Community Pharmacy*, by Mr. Zaad Hashmi Lead Pharmacy Operation, Foodpanda
- *Digital Transformation: The Impact of Digital Technology on the Pakistan Media Industry – Opportunities for Innovation and Careers* by Mr. Bilal Hassan, Country Sales Manager, Grass Valley
- *From Bench to Batch: Validating Analytical Methods in Pharmaceutical Industry* by Muhammad Ahsan Ejaz, Lecturer and Ph.D. fellow, Pharmaceutical Chemistry, Baqai Institute of Pharmaceutical Sciences
- *From Prescription to Patient Care: The Evolving Role of Clinical and Hospital Pharmacists* by Ms. Hafsa M. Ashfaq, Assistant Manager Clinical Pharmacy, DOW University Hospital
- *Application of Molecular Biology in Diagnostics* by Dr. Syed Zulfiqar Ali Naqvi, Associate Professor & Consultant, Department of Molecular Pathology, Liaquat National Hospital & Medical College
- *Principles of Islamic Banking: How It Differs from Conventional Banking* by Mr. Syed Aly Raza, Islamic Training Instructor and Development Specialist, Bank Al Habib
- *Kidney Health for All: Raising Awareness, Saving Lives*

- *ORIC Hands-On Training Workshop on Entrepreneurial & Presentation Skills* by Mr. Imran Azeem, Trainer, Shell Tameer Pakistan
- *Workshop on Resume Writing and Soft Skills* by Mr. Noor Ali, Senior Lecturer and HoD, Department of Computer Science, DHA Suffa University
- *Hands-On Parenteral Nutrition Workshop* by a team from Indus Hospital & Health Network, including Dr. Arif Ali Arain, Senior Manager and Head of Pharmacy Services, Dr. Abdul Manan, Deputy Manager Pharmacy Services, Mr. Sajid Ali Khan, Senior Pharmacy Technician, Mr. Sheikh Muhammad Saad, Clinical Pharmacist, and Mr. Muhammad Tariq, Pharmacy Technician

by Dr. Fahad Nasim, Assistant Professor & Consultant Nephrologist, Department of Nephrology, Liaquat National Hospital & Medical College

- *Exploring SPSS for Data Analysis* by Prof. Dr. Usman Ali Warraich, Managing Director & Research Consultant, Khayyam Enterprises
- *Corporate Governance in Pakistan: Challenges, Progress & Future Directions* by Mr. Muhammad Lukman, Chairman, Virtuosoft
- Webinar '*Where My Journey Brought Me*' by Ms. Rida Nisar, Ph.D. scholar, Scuola Normale Superiore University, Italy, and Mr. Raheel Saeed, PhD Scholar, School of Medical, Indigenous and Health Sciences, Faculty of Sciences, Medicine and Health, University of Wollongong, Australia
- *The Latest Advancements, Clinical Challenges, and Best Practices in Electrolyte Balance and Management* by Dr. Areeba Nayab, Clinical Pharmacist, Tabba Heart Institute
- *Procurement in the Digital Age: Integrating Strategy, Commodity Buying and Technology* by Mr. Haris Jumma, Manager Raw Material, English Biscuit Manufacturers
- A Safe Motorcycle Riding Training Session by Mr. Saad Hoda, Regional Manager Customer Care & Safety, Atlas Honda
- A Thalassaemia Awareness Session by representatives from Help International Welfare Trust, including Mr. Muhammad Sameed Altaf, Head of Operations, HVP and Associate Manager Getz Pharma, Ms. Ayesha Butt, Manager Women Empowerment, and Mr. Ishtiaq Khan, Head of Projects HVP

- *From Bench to Market: Challenges, Hurdles and Solutions*, by Dr. Hasnan Ali, Product Lead, Technical Department, GSK
- *Crisis Communication in the Digital Age: Role-Play and Social Media Strategy* by Mr. Noman Noor Ali, Disaster Management Specialist
- *Micropropagation of Medicinal Plants through Tissue Culture Technique* by Dr. Nudrat Fatima, Professor, Department of Pharmacognosy, and Principal, College of Pharmacy, Faculty of Pharmacy and Pharmaceutical Sciences, Ziauddin University, and Dr. Farhana Tasleem, Assistant Professor, Faculty of Pharmacy, Salim Habib University

- *Business Excellence: Mastering Development, Communication and Global Meeting Strategies* by Ms. Sobia Kamran, Performance Marketing Manager, The Hive – Hospitality
- *Computer-Aided Drug Design and In-Silico Approaches for Therapeutic Drug Development* by Prof. Dr. Somia Gul and Ms. Iqra Rehman, Department of Pharmaceutical Chemistry, Jinnah University for Women
- *Artificial Intelligence for Medical Image Analysis* by Dr. Nazish Jaffar, Associate Professor, Pathology Department, Sindh Medical College, Jinnah Sindh Medical University
- *The Research Toolkit: Planning, Writing and Presenting with Overleaf* by Dr. Dur-e-Jabeen, Associate Professor, Iqra University and Engr. Ghalib Nadeem, Senior Lecturer, Iqra University
- *Data is the New Currency: The Importance of Data in the Digital Age* by Mr. Immad Khan, Founder & CEO, The Roots Digital
- *Pharmaceutical Marketing in Pakistan: Compliance and Opportunities (Understanding Rules and Regulations)* by Mr. Ahmed Masood, Marketing Head, Cardio Group, Efroze Pharma
- *Understanding the Regulatory Framework for Surgical Dressings/ Medical Devices* by Dr. Jibran Khan Rajput, Head Regulatory Affairs, Macter International Limited
- *AI-Powered Communication: Tools and Techniques for Modern Writers* by Mr. Muhammad Usman Sharif, Tech CEO, Certified Trainer, and Life Skills Enthusiast
- *The Power of Mathematics & Statistics in AI: From Machine Learning to Probability* by Mr. Muhammad Raheel, CEO XPACE Technologies and AI & IOT Trainer
- *From Molecules to Market: The Pharmacist's Role in Brand Management* by Mr. Muhammad Taha Khan, Product Manager, Marketing, AGP Pharma Pvt. Ltd.
- *Vision for All – Promoting Inclusive Eye Health* by Ms. Fatima Zehra, Project Manager, both from Al Baseer Eye Hospital, Karachi
- *AI in Healthcare & Robotics* by Engr. Muhammad Mudassir Majeed, Computer Vision Engineer, Lambda Theta
- *Bridging Cultures: The Art of Intercultural Communication* by Ms. Mehreen Lokhandwala, Head of Academics, Greenwich Global College
- *Exploring the Biodiversity Crisis in Pakistan* by Ms. Safaa Batool, Vice President, Green Youth Movement, Dow University of Health Sciences

Research Excellence

Salim Habib University is dedicated to fostering a culture of research and innovation, with our faculty actively engaged in pioneering research across various disciplines. We take pride in offering cutting-edge research facilities, dedicated mentorship, and numerous opportunities for training and collaboration.

Recently:

- A research article titled 'Assessment of Pharmacological Interventions and Coping Strategies for Management of Insomnia: A Survey-Based Study Among Medical Practitioners and the Patients with Insomnia' authored by Salim Habib University's Pharmacy faculty and alumni was successfully published in the International Journal of Pharmacy & Integrated Health Sciences. The article was authored by Ms. Sawaira Ghaffar, Ms. Alina Junaid, Ms. Zubia Fatima Mirza, Ms. Mahrukh Safeer, and Ms. Umaina Athar Khan, under the supervision of Dr. Muhammad Ali Qazi, Assistant Professor, Faculty of Pharmacy, with co-authors Prof. Dr. Noor Kamil, Dean Faculty of Pharmacy, Ms. Rabia Noor and Ms. Uroosa Kanwal, Lecturers, and Ms. Sana Ejaz, Research & Teaching Assistant.
- Engr. Dr. Munsif Ali Jatoi, Manager ORIC (Office of Research, Innovation, and Commercialization), Salim Habib University, was invited to deliver a Keynote Address at the 3rd International Multidisciplinary Conference on Emerging Trends in Engineering Technology-2025 (3rd IMCEET-2025) held from April 28-30, 2025, at the Benazir Bhutto Shaheed University of Technology and Skill Development (BBSUTSD), Khairpur Mirs, Sindh, Pakistan. He also chaired a technical session at the conference.
- Dr. Jatoi also delivered a Keynote Address on Applied Statistical Signal Processing at the 12th International Conference on Advances in Computer Science & Technology (ICACST 2025), organized by ILMA University, on April 28, 2025.
- A research article on nanomedicine titled 'Trojan Horses: A Secret Route for Nanomedicines' authored by a meaningful combination of engineers, medical doctors, and pharmacists was published in the journal Current Pharmaceutical Biotechnology (IF: 2.2), indexed in SCI Expanded; Scopus and Medline/PubMed. Authors from Salim Habib University include Ms. Zoya Amin, Lecturer, Faculty of Pharmacy, Ms. Daniya Nadeem, Student, Faculty of Pharmacy, Mr. Huzaifa Shakeel, Student, Faculty of Pharmacy, and Engr. Dr. Munsif Ali Jatoi, Manager ORIC. External authors are Dr. Rabail Baloch, Department of Neurology, LUMHS, Jamshoro, and Mr. Raahim Ali, Faculty of Pharmacy, Baqai Medical University, Karachi.
- A research article titled 'Matricaria chamomilla L. Leaf and Flower Extracts Improved Scopolamine-Induced Amnesia via Regulation of Cholinergic Dysfunction and Brain Antioxidant Status: An In vivo and In silico Study,' authored by Mr. Ali Asgher Shuja, Lecturer, Faculty of Pharmacy, Salim Habib University, in collaboration with esteemed researchers and academic professionals from across Pakistan, has been successfully published with Elsevier Publishers in the Journal of Ethnopharmacology (HEC HJRS Category: W; IF: 5.4).
- A research article titled 'Enhanced Process Monitoring Using Machine Learning-Based Control Charts for Poisson-Distributed Data,' authored by Mr. Faraz Mukhtiar, Lecturer, Faculty of Information Technology, Salim Habib University, and co-authored by esteemed researchers and academic professionals from across Pakistan, has been successfully published with Elsevier Publishers in the Journal of Engineering Applications of Artificial Intelligence (HEC HJRS: W; IF: 8.0) on Science Direct.

Final Year Project Exhibitions

At Salim Habib University, we believe in the philosophy of Research → Ideas → Projects → Impact, under which students are encouraged and mentored to explore real-life problems through research, develop innovative ideas for solutions to those problems, transform them into impactful projects, and ultimately create entrepreneurial ventures with industrial, economic, societal, and environmental impact. With this aim in mind, we focus on inculcating a project-based learning system through capstone projects, which are then displayed at Student Project Exhibitions, as detailed below:

Faculty of Science

The Undergraduate Final Year & Course Project Display of the Faculty of Science, Salim Habib University, held to exhibit our students' Final Year and Course Projects, took place on Tuesday, May 27, 2025. The event featured a display of the research projects students of Biosciences, Biotechnology, and Microbiology have developed, which awed the audience and evaluators.

Faculty of Information Technology

The Department of Computer Science, Faculty of Information Technology, Salim Habib University, held its Final Year Project Exhibition: A Showcase on Monday, June 2, 2025. The grand showcase, organized in collaboration with the Global Ecommerce Agency (GECA) and Notion, exhibited the groundbreaking research and numerous innovative research projects developed by our Computer Science students, which left the audience and evaluators in awe. The event was also attended by esteemed personalities from both industry and academia.

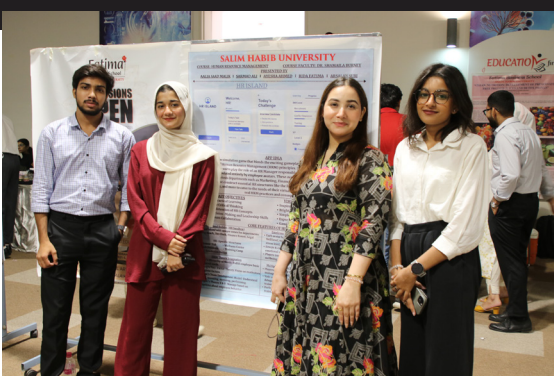

Faculty of Engineering

The Poster & Project Showcase, an Undergraduate Project Display of the Faculty of Engineering at Salim Habib University, was held on Tuesday, June 3, 2025, to exhibit our students' projects and posters. The event featured a display of the research projects students of Biomedical Engineering and Robotics & Intelligent Systems have developed, which awed the audience and evaluators.

Faculty of Management Sciences

The Faculty of Management Sciences, Salim Habib University, held its Semester Project Exhibition on Tuesday, June 3, 2025. The event showcased the impressive projects our Management Sciences students have created and the entrepreneurial ventures they have successfully established, leaving a lasting impression on both the project evaluators and guests in attendance.

Director QEC invited to Program Reviews

Syed Waqar ul Hasan, Director QEC & Regulatory Affairs, Salim Habib University, was invited as a Reviewer for the Self-Post Graduate Program Review (Self-PGPR) at the NED University of Engineering and Technology, Karachi, on Tuesday, May 6, 2025. He was also featured as a Panelist for the Self-Graduate Program Review at DHA Suffa University, Karachi, held from April 29-30, 2025.

92 NEWS BUDGET DEBATE 2025-26

Our Fatima Business School proudly served as the Venue Partner for a grand event held on Thursday, May 22, 2025, which brought together top business tycoons, industrialists, statesmen, and other renowned personalities to our campus to debate the merits and demerits of the Budget 2025-26.

The event featured a lineup of high-profile guests, including Former Finance Minister Mr. Asad Umar, Former Governor of Sindh Mr. Zubair Umar, Former State Minister Mr. Ashfaq Tola, Chairman Arif Habib Group Mr. Arif Habib, Journalist and TV Host Dr. Danish, Host 92 News Mr. Asadullah Khan, and Senior Journalist Mr. Amir Mateen, along with many other notable figures from across the political, economic, and media landscapes.

Our distinguished guests were highly impressed by the state-of-the-art facilities Salim Habib University and Fatima Business School offer and were inspired by the strides we are making to revolutionize education and transform academic excellence and ideas into real-world impact.

ICCA-25

The 1st International Conference on Computing & Artificial Intelligence (ICCA-25) was organized by the Faculty of Information Technology, Salim Habib University (SHU), at our Fatima Business School from May 15-16, 2025, in realization of the vision of the University's Honourable Founder & Chancellor Dr. Iram Afaq and her mission of revolutionizing education in Pakistan through the incorporation of business technology, science, and artificial intelligence.

The conference was inaugurated in a grand ceremony on May 15, the Chief Guest for which was Mr. Shahzad Shahid, CEO TPS, who was warmly welcomed by Conference Patron and Vice Chancellor SHU Prof. Dr. Syed Irfan Hyder,

Chief Operating Officer of The Salim Habib Education Foundation Mr. Muhammad Abbas, Registrar Dr. Muhammad Hussain Habib, Dean Faculty of Information Technology Prof. Dr. Sheeraz Arif, and Chairperson Department of Computer Science Dr. Raazia Sosan. Mr. Shahzad Shahid addressed the audience in an inspiring talk during the Inaugural Ceremony, while Prof. Dr. Syed Irfan Hyder delivered the Welcome Address.

ICCA-25 featured research paper presentations, poster presentations, project displays, and informative technical sessions, all of which showcased technological and scientific breakthroughs with the potential to reshape the future of Artificial Intelligence, Cybersecurity, Quantum Computing, and other emerging fields. Conference highlights included invigorating keynote sessions by

renowned industry experts and academicians, namely Mr. Adnan Zaidi, Chief AI Officer Proxima.pk and Kaggle Grandmaster, Prof. Dr. Muhammad Khurram, Department of Computer and Information Systems Engineering, NED University, Mr. Jibran Jamshad, Education Lead CIS Region and Central Europe & Country Principal Officer Pakistan at Microsoft, and Prof. Dr. Tariq Rahim Soomro, Rector IoBM & Chair, IEEE Karachi Section.

Another major highlights of ICCA-25 was a thought-provoking Panel Discussion on How CEOs Shape Product Strategy with C-suite executives on board, including Mr. Shakeel Akhter, Chief Information Officer Indus Hospital & Health Network, Mr. Shoaib-ur-Rehman, Founder & CEO Virtuosoft Pvt. Ltd., Mr. Mohammad Asif Siddiqui, Founder & CEO OISOL Pvt. Ltd., Mr. Ansab Naqvi, Founder & CEO Asani.io, Mr. Asad Ullah Chaudhry, CEO AUC Technologies, Mr. Mobeen-ul-Haq, CEO Silicon Technologies, Mr. Arbab Ali Khan, Founder & Managing Director Innovarge, and Chief Guest Mr. Shahzad Shahid. The discussion was moderated by Mr. Noor Ali, Former

Senior Program Manager CISCO, and Prof. Dr. Syed Irfan Hyder.

Day 2 of the conference, with a lineup of further technical sessions and thought-provoking keynotes based on cutting-edge research delivered by renowned professionals and specialists including Dr. Imran Sarwar Bajwa, Professor, Islamia University Bahawalpur, Dr. Uzair Ansari, Director Artificial Intelligence, SUPARCO, and Mr. Qaisar Sarwar, Chief Operating Officer New Horizon-Optimum Vision, added even more value.

The two-day conference came to a conclusion with a Closing Ceremony, the Chief Guest for which was Mr. Samiuddin Siddiqui, Secretary to the Governor of Sindh, whose address inspired all who attended. Guest of Honour Mr. Syed Muhammad Emad Uddin Nizami, CEO Tech Solution Genie and Chairman Hum Hain Shaheen Foundation, also delivered empowering remarks to the audience, as did Vice Chancellor SHU Prof. Dr. Syed Irfan Hyder, officially marking the conclusion of the conference. Reflections were shared by Conference Convener

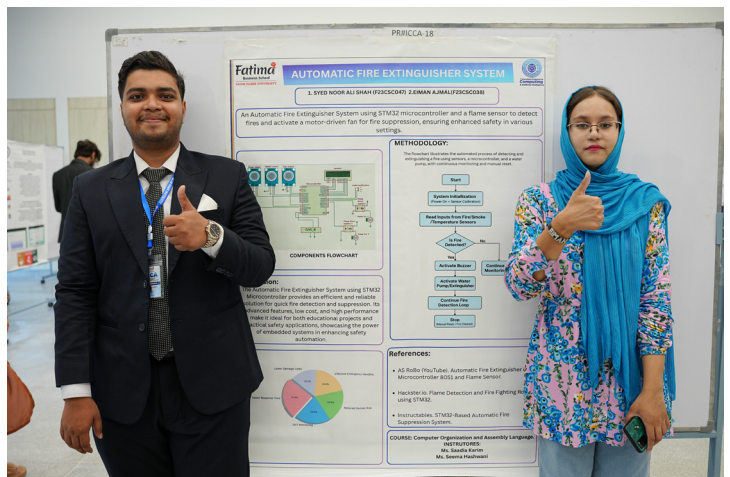

Dr. Raazia Sosan and Conference Secretary Ms. Saadia Karim as well.

The SHU ACM (Association of Computing Machinery) Student Chapter was also inaugurated during ICCA-25, marking another milestone in SHU's commitment to excellence in computing education.

The conference was attended by a dedicated mix of delegates, scholars, and professionals, in particular Vice Chancellors of leading Pakistani universities, renowned researchers and experts, esteemed guests from both academia and industry, and Salim Habib University's Deans, Directors, and Heads, along with Computer Science faculty and students.

In conclusion, ICCA-25 was a phenomenal success that showcased and promoted advancements in Artificial Intelligence, Computer Science, and Cybersecurity, and provided countless opportunities for networking and productive collaborations.

We are proud to have hosted such a groundbreaking event and are certain that Fatima Business School, a hub of research, academic excellence, and emerging technologies, will host more landmark events in the future that will also drive innovation and enrich the global landscape of science and research.

ALUMNI REUNION 2025

Our alumni returned to Salim Habib University on May 25, 2025, for a grand Alumni Reunion organized by the Career Placement & Industrial Liaison Office (CPILO). The highlight of the evening was Qawwali Night, which featured the mesmerizing maestro Qawwal Ashfaq Hussain and group, which enthralled the audience with the melodious music of qawwali. The event also included inspiring yet memorable talks from our esteemed management and engaging and fun activities that brought smiles and laughter to everyone.

WOMEN IN BUSINESS CONFERENCE - WIBCON

Salim Habib University was a Support Sponsor at WIBCON RISING 2025, a Women in Business and Leadership Conference organized by the Pakistan Society for Training and Development, which took place in Karachi at the Pearl Continental Hotel on Thursday, May 15, 2025.

The conference, which welcomed 1000+ women from all walks of life, and was attended by representatives from multiple leading corporations, as well as dignitaries, highlighted and celebrated the notable achievements of iconic female leaders, entrepreneurs, and professionals in Pakistan. Notably present at the event from Salim Habib University were Team Career Placement & Industrial Liaison Office (CPILO), students, and faculty members.

ICPPS-25

The 1st International Conference on Pharmacy & Pharmaceutical Sciences (ICPPS-25), organized by the Faculty of Pharmacy, Salim Habib University (SHU), took place at the Dr. Iram Auditorium, Fatima Business School (FBS), SHU, on Thursday, May 29, 2025, in realization of the vision of the University's Honorable Founder & Chancellor Dr. Iram Afaq and her mission of revolutionizing education and healthcare for the better through innovation, global collaboration, and groundbreaking research in the pharmaceutical sciences.

Day 1 of the conference began with a grand Inauguration Ceremony, which officially marked the opening of the conference. Chief Guest Dr. Obaid Ali, Lead, DRAP, Strategic Office of Science & Technology, was warmly welcomed by Conference Patron and Vice Chancellor SHU, Prof. Dr. Syed Irfan Hyder, Registrar, Dr. Muhammad Hussain Habib, Dean Faculty of Pharmacy, Prof. Dr. Noor Kamil, and members from the Faculty of Pharmacy, SHU. Dr. Obaid Ali addressed the audience in an inspiring talk during the Inaugural Ceremony, while Registrar and Executive Advisor of the

Conference Dr. Muhammad Hussain Habib delivered the Welcome Address.

The Guest of Honor, Dr. Kaiser Waheed, CEO, Medisure Laboratories, also delivered encouraging remarks to the audience. The event also featured thought-provoking scientific keynote sessions by renowned industry experts and academicians, namely Prof. Dr. Zaheer Uddin Babar, Department of Clinical Pharmacy and Practice, College of Pharmacy, Qatar University & Chief Editor, Journal of Pharmaceutical Policy and Practice, Mr. Anjum Shafi, Advisor, Health Canada, and Prof. Dr. Ghulam Abbas, Department of Pharmacology, Faculty of Pharmacy, Ziauddin University.

The main highlight of ICPPS-25 Day 1 was an enlightening and nuanced Panel Discussion on Translating Ideas into Impact: Overcoming the Academia-Pharma Divide with pharma leaders onboard, including Dr. Obaid Ali, Dr. Kaiser Waheed, Mr. Abdul Rasheed Chauhan, CEO, Hooraa Pharma, Dr. Ghais Ahmed, Director Sales & Marketing, Medisure Laboratories, Dr. Faseeh, Senior Manager Production, Pinnacle Biotech (Pvt.) Ltd., Mr. Zia Ul Haq, Director Plant Operation, Galaxy Pharma, and Mr. Muhammad

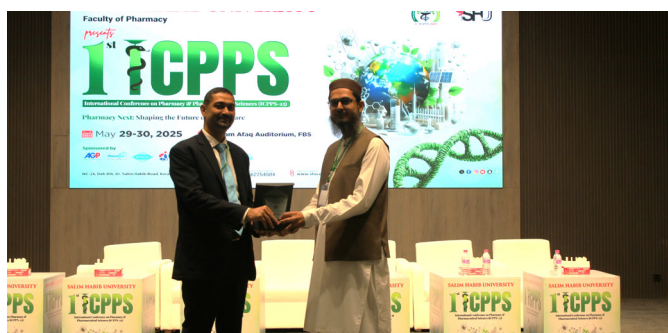

Arsalan, Deputy General Manager Quality Control, Pinnacle Biotech (Pvt.) Ltd. The discussion was moderated by Prof. Dr. Irfan Hyder.

The second and final day of the conference, which was attended by a dedicated mix of delegates, scholars, and professionals, featured a thought-provoking Panel Discussion titled Bridging the Gap: Strengthening Collaboration Between the Pharmaceutical Industry, Community Pharmacy, and Academia, which included renowned industry experts and academicians Dr. Fatima Yusra, Head of DSM, Firmenich Health & Nutrition Pakistan, Prof. Dr. Faiyaz Vaid, Ex-Dean, Faculty of Pharmacy and Pharmaceutical Sciences, University of Karachi, Mr. Aurangzeb Ansari, Production and Operational Head, Novartis, Mr. Syed Adnan Rizvi, Director, Drug Testing Laboratory Sindh (DTL), Mr. Jibran Bin Yousuf, Head Pharmacy Services, NICVD, and Dr. Muhammad Ashar Malik, Associated Dean of Education, AKU. The panel discussion was moderated

by Dr. Muhammad Ali Qazi, Assistant Professor, and Ms. Shadab Kashif, Lecturer, Faculty of Pharmacy, SHU.

Day 1 & 2 of the ICPPS-25 also featured oral presentations, research paper presentations, poster presentations, informative scientific sessions and project displays, all of which showcased breakthroughs with the potential to reshape the future of pharmaceuticals and pharmacy practice. Conference Secretary Mr. Ali Asgher Shuja, Lecturer, Faculty of Pharmacy, also shared his reflections on the event.

In conclusion, ICPPS-25 was a remarkable success, bringing together researchers, academicians, healthcare professionals, and industry leaders to discuss cutting-edge advancements in pharmacy and pharmaceutical sciences and fostering collaboration in drug discovery, healthcare technologies, and patient-centered care. We are proud to have hosted such a landmark event and look forward to initiating more such milestones in the future.

29th Textile Asia Conference

The 29th Textile Asia Conference: Pakistan's largest textile industry event, with Salim Habib University (SHU) as a proud Conference Partner, was a three-day mega-event held from April 12 to 14, 2025, at the Karachi Expo Center. The event attracted prominent textile delegates from Pakistan and other leading Asian textile nations.

On Day 3 of the conference, Salim Habib University's Faculties of Pharmacy and Science hosted a seminar titled Research and Analyses in Textile: Academia-Industry Linkages, in collaboration with SGS Pakistan Pvt Ltd, which featured a talk by Prof. Dr. M. Shakeel Ahmed Khan, Director ORIC, SHU, on the Role of Microbes and their Enzymes in Textile Industry as well as a note by Ms. Qurat ul ain Mateen, Deputy Manager BD, Health & Nutrition, SGS Pakistan. Our Biosciences student, Maheen Aamir, also presented her research via a poster presentation at the seminar.

Other key highlights of the event included a Welcome Address by Prof. Dr. Syed Irfan Hyder, Vice Chancellor SHU, who also emphasized how collaborative efforts between academia and industry can drive innovation in the textile industry. A vote of thanks was also delivered by Mr. Azhar Rizvi, Professor of Practice and Director, Center for Policy Research and Sustainability: Think Tank, SHU.

Representatives from the Connectivity and Products Department at SGS Pakistan were also present at the event.

SHU TALKS 1.0

Is Western Civilization really the champion of human rights?

On Tuesday, May 6, 2025, Salim Habib University hosted a thought-provoking Panel Discussion designed to explore the nuanced depths of the question posed above.

The invigorating discussion, organized by our Character Building Society, in collaboration with the Public Speaking Society, was part of the first-ever volume of SHU TALKS, an initiative consisting of a series of intellectual discussions that will allow experts to share varying perspectives and raise awareness on pressing global issues.

Esteemed panelists included Mr. Sabir Abu Maryam, Secretary General, Palestine Foundation Pakistan, Mr. Abdullah Jamal, Social Activist, Journalist & Public Speaker, and Mr. Wajih Uddin, Youth Engagement Advocate, while Mr. Hurr Abbas, President Public Speaking Society, SHU, moderated the session.

An interactive Q/A session further enriched the event. Participants engaged with the panelists and gained insights into the role of social media in spreading accurate information, as well as the importance of youth involvement in addressing societal and global issues.

Speak to Lead, a public speaking training initiative organized by Tabani's College, the Grand Finale of which was hosted by Salim Habib University (SHU) on this year's International Day of Education, came to a grand conclusion with a Prize Distribution Ceremony held at Tabani's on April 17, 2025.

The Ceremony honoured the winners and participants of Speak to Lead, as well as SHU's nominated public speaking trainers Mr. Salman Qayyum Galani, Lecturer and Program Manager, Accounting & Finance, and Engr. Hassan Ali, Senior Lecturer, Biomedical Engineering, who had been key to the success of the competition.

Registrar SHU Dr. Muhammad Hussain Habib, who was also invited to grace the event with his presence, addressed the audience as well, cementing the goodwill between SHU and Tabani's College and paving the way for a continued collaborative relationship.

The event was also notably attended by Mr. Sharif Tabani, esteemed Founder of Tabani's School of Accountancy and College.

Breaking Barriers

Breaking Barriers - the Pakistan Made Movement's first landmark event, was held in collaboration with Salim Habib University (SHU), Drug Regulatory Authority in Pakistan (DRAP), Saman-e-Shifa Foundation (SSF), and AIKA Technology, on Saturday, June 14, 2025, at Dr. Iram Auditorium, Fatima Business School, SHU.

Chief Guest Mr. Syed Mustafa Kamal, Federal Minister of National Health Services Regulations & Coordination, was warmly welcomed by Vice Chancellor SHU Prof. Dr. Syed Irfan Hyder, Chief Operating Officer of The Salim Habib Education Foundation Mr. Muhammad Abbas, Registrar Dr. Muhammad Hussain Habib, CEO Indus Hospital Health Network Dr. Abdul Bari Khan, Chairman Saman-e-Shifa Foundation Prof. Dr. Syed Shahid Noor, Advisor to the Vice Chancellor & Dean Faculty of Management Sciences Prof. Dr. Amanat Ali Jalbani, and Dean Faculty of Engineering Prof. Dr. Muhammad Zeeshan Ul Haque, along with esteemed faculty members of SHU.

During the event, Mr. Syed Mustafa Kamal addressed the audience in an inspiring talk, while Dr. Saif-ur-Rehman Khattak, Additional Director DRAP, delivered the Welcome Address. Dr. Muhammad Hussain and Prof. Dr. Amanat Ali Jalbani delivered the Vote of Thanks as well.

Breaking Barriers, which aimed to redefine Pakistan's healthcare sector by strengthening local device manufacturing, brought together medical professionals, academicians, industry experts, innovators, and policy makers, both within the country and internationally.

Session 1 of the event featured keynote speeches by renowned industry experts and academicians, namely Engr. Riasat Ali Changazi, Chairman R&D SSF, Prof. Dr. Syed Shahid Noor, Chairman SSF, Prof. Dr. Syed Irfan Hyder, Vice Chancellor SHU, Dr. Obaidullah, CEO DRAP, Dr. Junaid Syed, Co-Founder & CTO Kolojic Ltd., and Mr. Abdul Rehman Allana, Chairman Alsons Group.

A major highlight of this session was an invigorating panel discussion titled Quality Device Manufacturing in Pakistan: Challenges and Opportunities, which featured Dr. Gohar Ejaz, Representative Special Investment Facilitation Council (SIFC), Mr. Obaidullah, CEO DRAP, Prof. Dr. Shahid Noor, Chairman SSF, Prof. Dr. Irfan Hyder, Vice Chancellor SHU, Mr. Masood Ahmed, CEO Hospicare, Ms. Anjum Hijab, Founder & CEO AtPulse, and Mr. Zafar Mehmood, CEO viSole Group. The session was skillfully moderated by Mr. Omer Ahmed, Chairman Healthcare Devices Association Pakistan (HDAP).

Session 2 of this landmark event continued the momentum with a lineup of further thought-provoking presentations based on cutting-edge research delivered by renowned professionals and specialists, including Mr. Murtaza Askari, Senior Director Engineering Skorpis Technologies, Inc., and Dr. Christopher James, Senior Executive Officer - DeepTech Portfolio, DTU - Technical University of Denmark.

During this session, another dynamic and insightful panel discussion on Transitioning from Imports to Local Manufacturing, featured industry experts and educationists namely, Dr. Arsalan Ali Siddiqui, CRO ConnecTech Pvt. Ltd., Dr. Muhammad Fakhruddin Amir, Director Medical Devices DRAP, Dr. Fouzia Sadiq, Group Director Medical Alsons Group, Prof. Dr. M. Zahid Azam, Professor Dow University of Health Sciences, Mr.

Sajid Ali Khan Tareen, CEO Solunox Pvt. Ltd., Mr. Shahan Irshad, Business Unit Head Sind Medical Stores, and Dr. Farhan Essa, CEO Dr. Essa Laboratory and Diagnostic Center. The session was moderated by Mr. Naeem Khanani, CEO Magna Engineering Pvt. Ltd., whose thoughtful moderation added more depth to the discussion.

In conclusion, Breaking Barriers was a phenomenal event that highlighted the need of creating an ecosystem that bridges the gap between academia and industry to drive growth and innovation in medical device innovation and transform the healthcare sector. We are proud to have hosted such a groundbreaking event and are certain that Fatima Business School, a hub of research, academic excellence, and emerging technologies, will host more landmark events in the future that will also drive innovation and enrich the global landscape of science and research.

Seminars on AI Digital Arts & Creative Design

The Center for AI, Digital Arts & Creative Design at Salim Habib University is a hub of innovation and collaboration, dedicated to fostering robust partnerships with industry leaders and academic institutions, both on campus and beyond. Through guest speaker sessions, mentoring, workshops, and hands-on projects, the Center provides invaluable experiential learning opportunities for both faculty and students. These events, such as the ones listed below, invite accomplished industry professionals to share their expertise, inspire students, and broaden their career horizons.

- Digital Transformation: The Impact of Digital Technology on the Pakistan Media Industry - Opportunities for Innovation and Careers by Mr. Bilal Hassan, Country Sales Manager, Grass Valley
- Storytelling of Design and Communication in Advertising by Mr. Mir Farhad Khalid, Senior Art Director & Department Lead, IAL Saatchi & Saatchi
- The Digital Advantage: Leveraging Social Media by Ms. Sharmeen Iqbal, Digital Marketing Specialist, EFU Life Assurance Ltd.
- Your Creative Power in Games: How Media Arts Shape the Gaming World by Ms. Wajeeha Iftikhar, Founder & CEO, S & I Games.
- Watercolour Workshop by Ms. Maheen Tanvir, Freelancer, Fine Arts
- The Art of Mobile Photography by Mr. Nawaz Nabi, Freelancer, Fashion Photographer, and Filmmaker
- Building a Visual Language by Ms. Mahnoor Munaf Polani, Creative Designer & Strategist

CV Screening Workshop

The Career Placement & Industrial Liaison Office, Salim Habib University, organized a CV Screening Workshop & Mock Interview Session on Tuesday, April 22, 2025. The session, conducted by Shalimar Food Products (a sister concern of Hilal Foods), provided students with valuable professional insights while helping them enhance their CV and interview skills. Participants had the opportunity to refine their resumes, practise interviews, and explore potential networking opportunities.

Warrior Women Workshop

On May 5, 2025, the Center for Sports & Fitness, Salim Habib University, successfully organized a one-day female training session on Warrior Women Workshop, powered by The Martial Arts Academy.

The attendees of the workshop were guided through different scenarios on recognizing risky situations, and were taught basic self-defense skills. They also engaged in scenario-based training to get out of attack holds. Participating ladies demonstrated incredible enthusiasm and energy as they embraced their inner warrior women, leaving the workshop with a renewed sense of confidence. Also, everyone who participated earned a certificate.

Connect & Celebrate

On Thursday, June 26, 2025, Salim Habib University's Human Resources Department organized Connect & Celebrate - a sociable and relaxing gathering for all SHU staff, faculty, and administration members. The gathering, which featured a delightful lunch, a live music program, fun activities, and engaging games, brought smiles to everyone's faces and offered a great opportunity for employees to take a break from their daily tasks and connect and share joyful moments with their fellow colleagues.

Special thanks to Mr. Farhan Arif, Deputy Manager, Human Resources and Mr. Arsalan Ali, Senior HR Officer, for taking this wonderful initiative, and a heartfelt appreciation to everyone who contributed for making this event truly memorable.

The Art of Strength Training

The Center for Sports & Fitness, Salim Habib University, organized a Guest Lecture Series Session titled The Art of Strength Training on Thursday, May 8, 2025. The session was conducted by Mr. Ather Kamran Butt, Top Pakistani Powerlifting Athlete, First to Set Two Asian Records, Commonwealth Bench-Press Medalist & Asian RAW Championship Medalist.

Participation in Sindh Higher Education Commission's Training of Trainers Program

Esteemed members of Salim Habib University's Faculty of Management Sciences, Dr. Shamaila Burney, Head of the Career Placement & Industrial Liaison Office (CPILO), Acting Head BBA Program, and Associate Professor, Department of Business Administration, Dr. Hassan Ahmed, Associate Professor & Head of MBA Program, and Dr. Sadaf Hafeez, Head Psychology Program & Associate Professor, Department of Social Sciences & Humanities, participated in the Training of Trainers (ToT) program, held from May 26, 2025, to June 3, 2025, at the National Institute of Public Administration (NIPA), Karachi.

The nine-day intensive training, organized as part of the Sindh Higher Education Commission's (Sindh HEC) Faculty Development Program, brought together 40 faculty members from public and private sector universities across Sindh to empower educators with the confidence and knowledge to drive transformative change. During the training, the participants engaged in various sessions focused on academic leadership, innovative teaching methodologies, curriculum development, case-based learning, hands-on exercises, and collaborative group activities to bridge the gap between theory and practice and strengthen their roles as educational leaders.

Ensuring Fire Emergency Preparedness

On April 17, 2025, the Department of Health, Safety, and Environment (HSE), Salim Habib University, organized a Fire Safety training session for the University community.

The session, led by Mr. Umair Shah, Executive HSE, under the supervision of Mr. Umer Farooq, Manager Administration and Head HSE, aimed to provide faculty and administrative staff with essential knowledge about fire safety, emergency preparedness, and prevention strategies during fire emergencies.

The attendees also received hands-on training on how to properly handle fire extinguisher equipment, ensuring they gained practical experience in using it effectively during unanticipated fire breakouts.

Efrotech HR Software Training Session

Salim Habib University's Career Placement and Industrial Liaison Office arranged a Professional Development Series session centered on HR Software Training on Monday, April 28, 2025, as part of its Academia-Industry Connect program for students.

The session, conducted by Mr. Raheel Maqsood, Head Sales and Marketing, EfroTech and Mr. Ali Hasnain, Senior Sales Executive, EfroTech, was held in continuation of the MoU signed between SHU and EfroTech for its TimeTrax program. It provided students with a platform to learn how to effectively manage human resources by utilizing TimeTrax software to streamline HR operations and improve organizational efficiency. Participants also had the opportunity to build professional networks and prepare for careers in HR.

STUDENT ACHIEVEMENTS

Computer Science students win 2nd Place in Habib University Undergraduate Research Symposium 2025

Computer Science students from Salim Habib University secured Second Position at the DSSE Symposium for Undergraduate Research 2025 (DURS 2025), organized by Habib University, Karachi, on Wednesday, May 21, 2025. Our student team, consisting of Dawood Rehman and Muhammad Hamza, presented their innovative research project titled Pulse Whisper – PCG-to-ECG Signal Conversion via Hybrid Modeling for Cardiac Monitoring at the symposium organized by Dhanani School of Science and Engineering (DSSE) and were awarded second prize for their outstanding work. Ms. Sumra Khan, Lecturer, Faculty of Information Technology, Salim Habib University, supervised their prize-winning project.

Several other cutting-edge and ground-breaking research projects created by students from our Computer Science Department were also shortlisted to be presented at the symposium.

Simulation & Gamification as Teaching Methodology Workshop

On May 19, 2025, the Sindh Higher Education Commission (Sindh HEC) conducted a one-day training workshop on Simulation & Gamification as Teaching Methodology, at Salim Habib University. As part of the Sindh HEC's commitment to modernize teaching practices and promoting quality education across all institutions across the province, the workshop introduced new teaching strategies to faculty members from various universities across Sindh.

The training was conducted by Mr. Faisal Jalal, Co-Founder & President, SimulationsX, and Academic Trainer, and Dr. Rameez Khalid, Associate Professor, Institute of Business Administration (IBA), Karachi. Notably present at the event from Salim Habib University were Vice Chancellor Prof. Dr. Syed Irfan Hyder, Registrar Dr. Muhammad Hussain Habib, Advisor to the Vice Chancellor and Dean, Faculty of Management Sciences Prof. Dr. Amanat Ali Jalbani, along with the esteemed faculty and staff members.

Internal Quality Assurance (IQA) Framework Session

Salim Habib University's Quality Enhancement Cell (QEC), in collaboration with the Sindh Higher Education Commission (SHEC), proudly served as the official venue partner for a one-day training session on Internal Quality Assurance (IQA) Framework, on Thursday, May 29, 2025. The session was conducted by Dr. Muhammad Abdul Wahid Usmani, Head Quality Enhancement Cell, Jinnah Sindh Medical University, who shared valuable insights on setting up and enhancing internal quality systems in higher education institutions. The event brought together nearly 100+ participants, including senior faculty members and quality assurance professionals from public and private sector universities across Sindh.

These experts were welcomed by Vice Chancellor Prof. Dr. Irfan Hyder, Registrar Dr. Muhammad Hussain Habib, Industrial Visits

INDUSTRIAL VISIT

- Fourth-year pharmacy students from Salim Habib University went on an industrial visit to PharmEvo (Pvt) Ltd. on Tuesday, May 20, 2025. The visit aimed to bridge the gap between theoretical academic knowledge and the practical demands of the modern workplace, as it helped students explore pharmaceutical manufacturing processes, quality assurance protocols and industry standards. Besides the industrial exposure PharmEvo also offered student counselling sessions, particularly focusing on career development leadership skills, and ethical practices in pharmacy
- Pharmacy students from Salim Habib University were invited on Saturday, May 17, 2025, to visit Scilife by the Primary Care Diabetes Association (PCDA), for the orientation of PCDA's Student Taskforce for Education and Public Health (STEP).

Educational Fairs

Salim Habib University regularly visits and participates in educational exhibitions and college and university fairs of renowned schools and colleges in Karachi and outside the city. We were one of the leading universities that participated in The News Education Expo 2025, held at Expo Center Karachi from June 21 to 22, 2025. Our Team Outreach also visited Government Colleges in Badin and Aga Khan Higher Secondary School (AKHHS) in Gilgit, Hunza, Sherqillah, and Gahkuch for an orientation session.

Events

Khelo Shan Se

Khelo Shan Se, a thrilling Intra-University Sports Tournament organized by the Sports Society at Salim Habib University, took place from April 28-29, 2025. The tournament, comprising over ten categories, including Badminton, Chess, Cricket, Dabdu, e-Sports, Foosball, Futsal, Shot Put, Sack Races, Throwball, Tug of War, Table Tennis, Snooker, and Volleyball, had something for everyone and was enjoyed by all who participated.

The closing ceremony of this two-day event held at the MBB Auditorium was attended by renowned and celebrated athletes as Guests of Honour, including Ms. Hoor Fawad, Mr. Saddam Hussain, Mr. Maaz Khan, Mr. Abdal Khan, and Mr. Noor Khan.

Rang-e-Adab

Rang-e-Adab, a two-day Literature and Culture Festival organized by the Salim Habib University Tariq Amin Library and the Student Affairs Arts & Literature Society took place from April 24 to 25, 2025.

The event kicked off with a vibrant Book Fair, featuring stalls that offered a wide variety of fictional, non-fictional, and academic books that were a treat for bibliophiles. The Inauguration of the Book Fair, symbolized by a beautiful Ribbon-Cutting Ceremony conducted by the esteemed Mr. Tariq Amin, Founder of The Salim Habib Education Foundation (TSHEF), also took place.

A live Calligraphy Competition was held as well, in which students enthusiastically showcased their artistic skills. The main highlight of the festival was Rang-e-Sufiyana, featuring the enthralling maestro Qawwal Ashfaq Hussain and group, who mesmerized the audience with the melodious music of qawwali.

The event also featured Rang-e-Funoon, Cultural and Stage Performances by students which brought together in harmony all the rich cultures of Pakistan.

A mesmerizing Adabi Mushaira with student poets as well as the beloved poets Prof. Dr. Mansoor-uz-Zafar Dawood, Vice Chancellor Ilma University, Kashif Hussain Ghaair, Naeem Sameer, Daniyal Ismail, Shahzaib Khan, Qudsia Zaidi, and Syed Saim Gardezi, who captivated the audience with their eloquence and emotion, also added to the richness of the event.

The festival was a lovely celebration of culture and literature!

Youm-e-Tashakur

On Friday, May 16, 2025, Salim Habib University organized a rally and a grand flag-hoisting ceremony to observe Youm-e-Tashakur (Day of Gratitude). The day was commemorated to honour the resilience and historic victory of Pakistan military forces during Operation Bunyan-ul-Marsoos, and to pay tribute to the martyrs who sacrificed their lives for the nation.

The University community, including students, faculty, staff, and management actively participated in this rally, displaying a great spirit of patriotism, unity, and leadership.

Mr. Samiuddin Siddiqui, Additional Secretary to the Governor of Sindh, also graced the event with his presence.

Bano Qudsia All Karachi Declamation Contest (BQ-AKDC)

The Salim Habib University Public Speaking Society, in collaboration with the Students Affairs Department, successfully organized the Bano Qudsia All Karachi Declamation Contest (BQ-AKDC) – a highly competitive and riveting declamation competition.

The esteemed jury panel for this contest, which was held on Wednesday, May 14, 2025, included seasoned public speakers, namely Mr. Abdullah Jamal and Ms. Momal Aziz for the English category and Dr. Zeeshan Iqbal and Ms. Rukhsana Naz for the Urdu category. The event was also graced by the presence of Prof. Dr. Kaleem Raza Khan, Dr. Jamshed Arsalan, and Mr. Abid Ali Umang as the Guests of Honour.

BQ-AKDC was a massive success, with over 50 talented orators from top-notch institutions in Karachi showcasing their unwavering passion, sharp intellect, unmatched eloquence, and deep-rooted desire to express their educated opinion on pressing global and societal issues. Participants delivered persuasive speeches in both Urdu and English, all of which awed all those who attended.

Har Lamha Masoomana with Waseem Badami

On Wednesday, May 21, 2025, CS Cube, the Computer Science club at Salim Habib University (SHU), in collaboration with the Student Affairs Department, successfully organized Har Lamha Masoomana with Waseem Badami - a thought-provoking and engaging one-on-one talk on Ethics in Media: Respect, Responsibility, and Communication Skills.

This exclusive opportunity, which featured renowned television journalist and program host Mr. Waseem Badami, was intended to encourage meaningful and insightful dialogue about the role of media, particularly amid crises. During the talk, Mr. Waseem Badami shared his perspectives on the challenges of modern-era media, such as the spread of misinformation and fake news, and emphasized the importance of ethical and unbiased reporting in today's evolving media landscape.

The event was hosted by CS Cube President and Computer Science student, Mr. Syed Enayat Hussain Jaun, whose thoughtful moderation added more depth to the discussion. An interactive Q&A session further enriched the event as participants engaged with Mr. Waseem Badami and gained valuable insights into media ethics and effective communication skills.

Excellence Awards

The Salim Habib University Excellence Awards Ceremony, organized by our Examinations Department, was held on Tuesday, May 20, 2025. The prestigious Awards Ceremony was held to celebrate our talented and high-achieving students from the faculties of Engineering, Science, Pharmacy, Information Technology, and Management Sciences who have excelled in their academic pursuits. Special honours were also given to the brilliant ones who have made it to the Vice Chancellor's Honour Roll and the Dean's Honour Roll.

Game Gala

Battle of Wits & Wins – the SHU Game Gala, a lively and fun-filled event organized by our Media and Marketing Society in collaboration with the Student Affairs Department, was held on Monday, May 26, 2025. The high-energy gaming event, comprising five games, namely, Human-Size Ludo, Murder Mystery, IQ Inferno, Five-Legged Pentathlon, and Tug of War, was enjoyed by everyone who participated. Students were seen to be putting in their best efforts to win for their teams while showing their love for the games.

Career Counselling by Industry Experts

On Monday, June 30, 2025, the ACM SHU Student Chapter, the Computer Science club at Salim Habib University, in collaboration with Ponder Alliance, successfully organized an interactive and expert-led Career Counselling Session for prospective graduates. The one-on-one session, which featured experienced tech professionals notably, Mr. Muhammad Hassaan Khan, Senior Project Manager, Folio3 - Pakistan, Mr. Muhammad Ahmed Qaisar, AVP - Digital Transformation, JS Bank & President, Agile Pakistan - Karachi Chapter, Mr. Maaz Shaikh, Technical Team Lead, Contour Software, Ms. Erum Hannan, Software Development Manager, Techlogix, and Mr. Muhammad Abid Munif Khan, Senior Project Manager, Tectonic, provided students with valuable insights into diverse career pathways, roles, and most in-demand technical and soft skills.

Participants also had the opportunity to have expert suggestions on refining their resumes, building impactful portfolios, and mastering interview best practices for tech roles.
