

Strengthening Public and Private Sector Universities for Participation in International Rankings

On 28th October, 2025, the **Sindh Higher Education Commission (SHEC)**, in collaboration with **Salim Habib University**, hosted an informative workshop on “**Strengthening Public and Private Sector Universities for Participation in International Rankings**”, led by Dr. Usmani. The session focused on how universities can enhance their readiness for global ranking frameworks such as QS and THE.

Dr. Usmani highlighted key ranking indicators, including research impact, academic reputation, global visibility, and quality assurance practices. He shared practical strategies that institutions can adopt to improve overall performance and meet international standards. The workshop also featured a Q&A session, allowing participants to discuss challenges and opportunities specific to Pakistani universities.
